5. Enron and the Defendants Committee also stipulate and agree to move jointly to modify the provisions of Fed. R. Civ. P. 26(a)(2)(B) with respect to required disclosures concerning testifying experts on insolvency-related issues and to limit the scope of documents concerning such experts that will be subject to discovery in the consolidated insolvency litigation governed by the June 20, 2005 order consolidating insolvency-related issues and in accordance with the terms set forth in paragraphs 6 through 8 below.

6. With respect to any person or entity who a party will or may call as a witness at trial to present evidence concerning insolvency-related issues under Rules 702, 703 or 705 of the Federal Rules of Evidence (an “Insolvency Expert”), the party shall produce in electronic format the following documents: (a) a complete statement of all opinions to be expressed by the Insolvency Expert and the basis and reasons therefore (the “Insolvency Expert Report”); (b) upon request, all data and other information on which the Insolvency Expert relied in forming the opinions reflected in the Insolvency Expert Report¹; (c) any exhibits to be used as a summary of or support for the opinions reflected in the Insolvency Expert Report (to the extent such exhibits exist at the time the Insolvency Expert Report is produced); (d) a complete statement of the

Each party shall also post a notice on the Court's Insolvency Docket of such production.

7. Notwithstanding anything to the contrary in Fed. R. Civ. P. 26(a)(2)(B) or case law, no documents or communications concerning Insolvency Experts, other than those described above, shall be subject to discovery. By way of example and not as a limitation, this includes drafts of Insolvency Expert Reports and documents constituting or reflecting communications (and such communications) between or among any of the following: (i) an Insolvency Expert and counsel to a party for whom the Insolvency Expert has offered opinions and/or any of that party's non-testifying consultants, (ii) Insolvency Experts who have offered opinions on behalf of parties who have a common interest privilege and/or joint defense agreement and counsel to such parties, or (iii) any Insolvency Experts who have offered opinions on behalf of a party and non-testifying consultants from Huron Consulting.

8. All of the documents required to be produced above shall be produced as soon as technically possible after the party produces the Insolvency Expert Report.

9. Enron and the Defendants' Committee will use their best efforts to file a joint motion requesting that these stipulated matters be so ordered by the Court in the consolidated insolvency litigation before September 1, 2006, depending on the Court's availability.
